11. You may only place a wager / bet using funds already deposited to your Account with us. You may deposit funds into your Account by using the Deposit menu in the Software and choosing one of the payment methods listed there. We reserve the right to change the list of available payment methods at any time and without notice.
12. You may not use a payment method to deposit funds to your account where making such a deposit would breach the conditions of use of that instrument. In particular we will not be liable if your credit card issuer refuses a gaming transaction.
13. We may offer you a facility to top up your gaming account by applying a charge to your credit or debit card, mobile bill or pre-pay account. We reserve the right to withdraw or limit this facility at any time and without notice. You may not use this facility if doing so is in breach of the terms of your mobile network operator agreement. If we are advised by your mobile network operator of non-payment, misuse or if payment is withheld by your operator, we may suspend or cancel your transaction and /or account. Any winnings in your account will be forfeit. You may not request a withdrawal of winnings from your account where your bets have been placed with monies not confirmed as billable by your mobile network operator.
14. We may offer you a facility to top up your account using other third party electronic wallets or payment mechanisms. You may not use such services if doing so is in breach of your agreement with the relevant payment provider.
15. You may withdraw funds from your account at any time, unless a wagering requirement remains to be satisfied. If you request a withdrawal of cash from your account, any unused bonuses will be forfeited immediately. You must be logged in to the Software and select the Withdraw Money option from the game menu to request a withdrawal or you may do so in direct communication with our helpdesk. Available withdrawal mechanisms (and any associated terms) will be listed in the Withdrawal Menu. We reserve the right to add or remove any withdrawal mechanism or alter any associated terms at any time, at our absolute discretion.
16. Your monies are segregated from corporate funds by holding them in a separate bank account.
17. We may, from time to time, offer you Bonus Promotions, details of which will appear on our WEB/WAP site and in-Game menus and alerts, as well as by SMS. You will not be charged to receive such alerts. We reserve the right to alter or cancel a Bonus Promotion at any time, by notice appearing on our WEB/WAP site or in-game menu, or by SMS. Bonus money can only be withdrawn from your Account in accordance with the rules for each Game or Bonus Promotion. Unused Bonuses may be cancelled by us after **90 days** with no liability to you. Misuse of Bonuses may result in your Account being cancelled.
18. Standard Minimum Wagering requirement for bonuses: Unless otherwise stated when a bonus is awarded to you, you must play through any bonus 100 times (i.e. total bets must be 100 times the bonus amount) before any amount of the Bonus is eligible for withdrawal. Any bet or part of any bet placed on outside bets on the Roulette table, as well as bets covering all 37 single numbers, will not count towards the wagering requirement.

1. Bonus money cannot be used in the following games Bingo, Auto Bingo, Lotto and Scratch cards. This list is by way of an example and is not exhaustive. Your bonus and real money balances are displayed at all times in the cashier menu in game.
19. You may place a wager in on of our Games in communication with our Gambling Server over the Internet using the Internet connection provided to you by your Mobile Operator. The Software will indicate the amount of any bet, the odds for any prize, and the winning combination or event for each prize.
20. All Bets relate to computer generated random events. Our Random Number Generator has been independently audited to ensure fairness and that results cannot be tampered with. You may request a copy of the Auditors report at any time.
21. Individual Game rules and procedures, odds and payout structures are available within each game and on our web site prior to download.
22. You determine the size of the bet before placing it through the Game. The amount of the bet may not be amended later. We reserve the right to alter minimum and maximum limits at any time without notice.
23. A Bet is placed only when it has been received by our server from your Handset using our Software and the internet connection of your handset. Once a Bet has been placed it is final and binding cannot be cancelled or changed. For the avoidance of doubt, a Bet remains valid even if the result cannot for any reason be displayed back to your handset (due, for example, to a network failure interrupting communication, or if you receive an incoming call and stop the software)
24. You will be automatically notified whether your Bet has won or lost. The Software will display on the screen of your Handset an animated sequence of images to reveal the outcome of the Bet. You may be offered the opportunity by the Software to interrupt or proceed with all or some of the animated sequence by means of the keypad on your Handset.
25. If you win, your winnings will be credited to your Account immediately. If for any reason you do not receive notification of the outcome of the Bet, this will not affect the validity of the Bet and winnings will be credited to your account accordingly.
26. Incomplete Games: Bets placed but remaining undecided in incomplete games will become void after 90 days and will be surrendered to charity.
27. Statements of past Bets: You may at any time, by following instructions made available through the Software, request a statement of the Bets you have placed and/or an up to date statement of your Account. All statements will be sent to your Handset, normally within the software. A printed statement will be posted to your home address upon request to SSC.
28. Responsible Gambling: You must use this service responsibly. You may at any time request limits to your gambling using the Help menu in any game. You may set a limit on total wagers, total deposits or total net losses in each calendar day. Once a limit has been set it may not be decreased by you or us for twenty four hours. If, in our sole judgement, we perceive that your gambling activity is indicative of problematic behaviour, we reserve the right to suspend your account or to bar you from our service for a period of time at our discretion. If we close your account, any legitimate balance held by you will be returned to you within 28 days.
29. Self-Exclusion: You may also request that we exclude you from the service by contacting the helpdesk. If you request to be excluded, all remaining funds in your account will be returned to you immediately, less funds deemed to be bonus. Your account will be locked and your mobile device will be excluded from the service permanently. You may not register again using a different device. We will cancel any additional accounts you create. There is no provision for resurrecting your account once such a request has been made.
30. Self-Barring: You may request that we bar you from the service for a period of time by contacting the helpdesk. Further betting will not be permitted until such time that the bar has been lifted. If you request to be barred permanently, all remaining funds must be withdrawn.
31. Sole usage: You may not allow any other person to place a Bet on your behalf and will be solely responsible for all Bets placed using your Handset.
32. Improper Use: We reserve the right to refuse any Bet if we have reasonable grounds to believe that you are in breach of these Terms and Conditions at the time the Bet is placed.
33. Network Operator and Other Charges: You are solely responsible for any connection, use or other charges levied by your network operator when you register to play the Games, download the Software, place Bets or communicate with us. These charges shall form no part of any Bets placed.

34. Cancellation of Accounts: We reserve the right to cancel your Account at any time if, in our opinion, you have breached any of these Terms and Conditions. Any refunds will be at our discretion.
35. Dormant Accounts: Accounts which have not been accessed for five years will be cancelled without notice. Any funds in the account will be donated to Charity.

Any such changes shall be published on our WEB/WAP site. You may access the WEB/WAP site at any time from the SMS sent to you upon registration.
37. Disclaimer: We do not accept responsibility for the non-availability of the Games at any time or for any Bets that have not been recorded on our Server. We reserve the right to cancel any Bet in the event that outcome of the Game on which the Bet is placed is affected by any error, omission, interruption, deletion or defect resulting from a server malfunction, virus, bug or any other cause outside our control.
38. In the event of a Casino system malfunction all bets are void.
39. Re-Assignment: We reserve the right to transfer all or part of the operation of this service to other suitably qualified and regulated parties so long as such a transfer does not negatively affect the rights, financial interest or service level offered to you under this agreement.
40. Disputes regarding any Bet or any aspect of the service must be received by us within 28 days of the Bet being placed. You may dispute any Bet by making a formal Dispute request to us by phone on 020 8815 5093, email support@thephonecasino.com or using the in-game Contact menu.
